

Prof. Diana Cuevas-Soriano
World Council for Medical Tourism

International Corporate Attorney | Legal Strategist | Law Professor

With over 25 years of legal expertise, Professor Diana Cuevas-Soriano is a distinguished international corporate attorney, law professor and industry leader specializing in **Technology and Data Transfer, Medical Tourism Governance, Arbitration, Contracts and International Law**. Her work spans across high-level legal counsel, global regulatory compliance, and complex international contracts. Other work includes drafting contracts for HBO producers, responsible for 125 million dollar investment in Mexico in the Oil & Gas industry, real estate investment and developments for over 80 million dollars, creation of a national certification seal for medical tourism training in Mexico.

Professor Cuevas-Soriano serves as the **President and Founder of the World Council of Medical Tourism**, where she represents and advises council members nationwide. She provides strategic legal counsel to worldwide governments, private hospitals, hotel groups, real estate developers, and stakeholders across the medical tourism supply chain, focusing on international protocols, standards, global alliances, M&A agreements, and regulatory compliance.

Her legal career includes positions in prestigious law firms in **Boston and New York**, and she was mentored by **Hon. Judge Garner**, former Federal Judge for the District of Massachusetts, during her time as a legal researcher.

Professor Cuevas-Soriano currently holds multiple key leadership and advisory roles:

- **Vice President**, International Chamber of Commerce – Arbitration Committee Bajío
- **President** World Council of Medical Tourism
- **President** Mexican Council of Medical Tourism
- **Attorney of Counsel**, Alaris Law Firm – Paris, France
- **Senior Partner**, Legal-Core LLC
- **Director**, BeCompliance SL-Global – USA
- **Board Member**, USA-Mexico Chamber of Commerce

Her high-profile transactional experience includes:

- Drafting and negotiating contracts for **HBO, Inc.**
- Legal advisory and sole responsible for **investments exceeding \$125 million in the oil and gas sector**

- Oversight of **over \$200 million in real estate developments**
- Serving as **legal counsel to Costco and International Living and Federal Governments**

As a professor, she bridges academic insight with real-world legal and commercial application, bringing a global perspective to international law, compliance, and dispute resolution.
